Administrator/Community
Liaison

Mr. Bieule
Principal on Assignment

OUR PROGRAM

MIA's Career and Technical Education (CTE) technology focused program is designed for students to earn an Associates in Science (AS) Degree, Associates in Arts (AA) Degree, Industry Certification, and prepare students for global employment upon graduation from high school.

MIA will focus on two initial career pathways in Information Technology:

- Networking Service Technology – Enterprise Cloud Computing
- Computer Programming and Analysis – Mobile Applications Development

SCHOOL POLICIES

Reception will not deliver or accept any items belonging to students as to not interrupt classroom instruction (i.e. dropping off homework assignments, food, money, etc.).

School owned iPads will be distributed August 10th from 9am-12pm at Mater Brickell Academy 230 SW 17th Rd and must be brought to school daily, fully charged, as this is how students will access their textbooks as well as other instructional material.

Students are not allowed to use any other electronic devices during school hours. If a student is using an electronic device, it WILL BE confiscated by staff members. There will be a 24-hour holding period before parents are allowed to pick up the electronic device.

Rolling book bags are not permitted.

Please refer to the current Parent/Student Handbook available on the school website for further information regarding school policy. An updated handbook for the 2024-2025 school year will be available in August.

ATTENDANCE POLICY

The following are excused absences:

- Student illness
- Medical appointment with a doctor's note
- Death in the family
- Observance of a religious holiday
- School sponsored event

Excuse notes must be submitted online on the school's website within 72 hours of an absence.

Students with excused absences are responsible for requesting their makeup work upon their return to school. They have three school days to complete and turn in their assignments.

Students cannot be signed out after 1:20pm. (NO EXCEPTIONS)

DUAL ENROLLMENT

Taking college courses while in secondary school will:

- Increase student's college readiness.
- Allow students to begin their college degree earlier.
- Increase student's grade point average.
- Save money towards a college degree.

General requirements to participate in the Dual Enrollment Program:

- Participate in at least one high school level class.
- Unweighted school GPA of 3.0 or above.
- Approval by the dual enrollment school liaison
- Evidence of college readiness in all areas as noted in a college readiness exam
 - ACCUPLACER, PERT, ACT, SAT
 - Pass the FSA ELA with a 3 or higher
- Complete the application process from the college

DUAL ENROLLMENT DATES:

- ❑ Classes will begin on August 26th, 2024
- ❑ Students must adhere to Miami Dade College dates in reference to Dual Enrollment classes.
- ❑ SLS 1500 will begin the week of September 2nd
- ❑ <https://www.mdc.edu/academics/calendar/>
